CABIN REQUEST FORM
(Optional)

A reminder of our policy and our professional opinion: CAMP IS A PLACE TO MEET NEW PEOPLE AND MAKE NEW FRIENDS. If you do not have a special request, you may disregard this form. We will always do our best to make sure your camper has the best time possible!

We do understand, however, that for some first-time campers and others, a cabin-mate request is important. We can endeavor to place **TWO** Campers together in a cabin, **IF** requested to do so by both sets of parents, and **IF** both campers are in the same grade. Placing more than two friends together, however, makes it hard for us to create cabin groups that are cohesive and where **ALL** campers have a chance to make new friends. While we will always do our best, **WE CANNOT PROMISE** that your camper will receive his or her cabin-mate request. As with all policies we reserve the right to use our best judgment in making the final decisions. We are always available to listen to your concerns, and may be able to suggest an alternative solution, which would address the situation in other ways.

Parents Making a Request, Please Note: If you have already made an *informal request* for your camper, it must be re-submitted on this form in order to be considered. A completed form must be received NO LATER than June 1st from the families of **BOTH campers who wish to be cabin-mates together.**
