It is our goal to provide a positive camp experience for every camper. Use this as a chance to write a letter directly to your camper's counselor. Here are some questions to consider: What's unique about your child? Anything to remind them about (sunscreen, etc)? Any medications (you have already filled this out on your health form, this is just a reminder)? Allergies to bees, food, etc.? Any behavior issues? Likes and dislikes? What motivates them? How do they respond to new challenges or change?

Dear Kennolyn Counselor,
